

5100

shower curtain track
for care institutions

The standard in healthcare

5100

shower curtain track

for care institutions

practical & versatile

The Qurails shower curtain track 5100 is an ideal rail for your shower curtain. The rail has the looks of a classic curtain pole with the comfort of a high-quality curtain rail. The rail can be fitted with suspension hangers to be used in hospitals and care institutions. The Qurails 4200 can even be mounted without a suspension hanger between two walls up to a length of 180 cm. A very popular rail with many applications, such as in the care sector and residential homes.

- The ideal track for all shower curtains.
- Easy to bend and exceptional quality.
- Can be forward or reverse bent in different radii.
- Silent and smooth running, also round bends.
- Usable with LRS gliders.

Standard colours

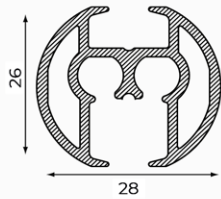

Features
